*Those special memories of you will always bring a smile
if only you come back for just a little while
then we could sit and talk again just like we used to do
you always meant so much to me and always will
the fact that you're no longer here will always give me pain
you're forever in my heart*

*Aunt Marianne saved my life when I was three, and has always stood
by me since. Her words were always those of support and love for me.
I will miss that now. I will miss the crazy Mother's Days and
Thanksgivings at my house. I have a treasure fold of memories. Thank
you Aunt Marianne. In your words, I love you sweetheart. Your

“ Mrs. Movesian became like a second mom to me over the past decade. We spent time together, laughed a lot, cooked steaks on the grill together, talked about food, went to parties, celebrated birthdays, talked about our favorite TV shows, and just had fun. She always made me laugh and she was never shy about offering her opinion to me on just about any subject -- I loved that about her. But, honestly, it was not really what she said, it was always how she said it -- with energy, compassion, humor -- and always with concern for others and with doing for others. With the passing of both Guy and now Marianne, yes, an era has truly ended. Mrs. M, like her husband, was larger than life, and her legacy lives on for all who were touched by her. God bless you Mrs. M -- you will be missed.
