“ *Mrs. Kominiak was my 3rd grade teacher. I loved her. I became a 3rd grade teacher. I hope that when my students remember me they find a smile on their face like m8ne when I remember her.*

“ I was a friend of Marie's daughter, Joyce. One of my fondest memories of Mrs. Kominiak was when Joyce & I were in elementary school and she took my sister and me, along with Joyce, to see the movie "Clash of the Titans." She was so excited to see the movie and eager to share her enthusiasm about Greek mythology in general. After the show, she took us all to Bischoff's to get ice cream. That was the first time I ever tried the flavor Rum Raisin. I will remember her always smiling and full of curiosity and passion for life.

With sympathy and comfort to the entire family,
