“ 9 years since she passed and I still think of her all the time, almost every day. Love her always.

“ To all the Family, how blessed you were to have had Nonni in your lives. I have never known a more charming woman. Always a lady in every way. She made you feel good about every day things in life. I never heard her complain and yet I know her last months were not easy for her. I will keep in my mind the days I saw her on you deck, the recent polo matches and how stunning she looked at Tom's birthday party. When I saw her last week I knew it would likely be the last time and I am so happy I did because I think she really did recognize me. Carole you did such a wonderful , loving job taking care of her. Cardie , there could be no better son-in-law in the world. Carole and Diane you girls were her life and all her grandchildren and great grandchildren were her joy. I know how much she will be missed but she left a great legacy and her imprint will last forever. Our deepest sympathy. Jim, Kate, Lauren##imported-begin##Kate and Jim coyne##imported-end##
