“ *Miss Kirschner was -- by far-- the best history teacher I've ever had. Forty-plus years later I still remember her thoughtful, inspirational, and truly insightful classes at Holy Angels. I always admired her dedication and enthusiasm -- and wish I had communicated my appreciation to her long ago. Everything I know about American democracy, I learned from her. Thank you, Miss Kirschner.##imported-begin##Trish Neary Baumann##imported-end##*

“ Miss Kirschner was one of my favorite teachers at Holy Angels. She was very inspirational and supportive and always pushed me to do better. She was very helpful with my college choice decisions and wrote a wonderful recommendation for me. I ended up majoring in American History in college, due in large part to her teaching. She is missed...**Barbara Waters**”
