

## Marilyn S. Scott

August 17, 2021

Retired business owner and musician Marilyn Scott's love of life didn't come to an end with her death. Marilyn passed away on August 17, 2021, at the age of 91. Surviving a stroke 16 years earlier left her unable to walk. Her pure determination will to live, and never give up attitude is an example of who she was. We who were fortunate enough to know her will forever believe we can overcome any obstacle.

Marilyn was born and raised in Harlem NYC a mecca of culture which inspired her. She graduated from Commerce High School and studied music from an early age. Playing piano for her church was an ongoing event. Always delighting family and friends with her love of music. She taught piano motivating her students to have a passion to play music. She was an avid gardener with a green thumb inspiring others to grow plants and witness life from seed to flower. Her business abilities partnered with her late husband Frank R. Scott together built a successful limousine service serving dignitaries, entertainers, and corporate heads. She had a sense of humor with a contagious laugh shared by her family. Her love of life continues through us. She is survived by her 3 daughters: Pamela, Paulette and Frankie, a son in law Raymond, 2 grandchildren: Scott and Samori, numerous nieces, and nephews. Rest in peace mom you will forever be a part of us.
