“ *I remember Marilyn as being low keyed; exhibiting a quiet disposition of love, patience, kindness ,humility, and gentleness. All of which God command of us. Marilyn was a philanthropist, giving of herself, when it came to the needs of others. Besides her four children, she adopted and and fostered four other children. she took in the unwanted, and provided love until the end. May God bless and comfort all of her children. she has now crossed over to be with the Savior. Rest in peace Marilyn.*

“ I don't know where to start. First my Sincere condolences to all of my Cousins. Even though your mom was my Auntie, I cherished Auntie Marilyn as my mom too. I will always hold on to the good memories. I will hold on to the not so ones too ,because those are the ones that made us closer. As a child and even now we expect our Loved ones to live forever!!! But God has the final say in everything and every aspect of our Lives.
