“ It's been 5 years and Marina is still very much missed. She was a class act; intelligent, interesting and a very good friend. According to a spiritual reader, she's in paradise taking care of my twin babies. I couldn't ask for a better person to be with them! ❤️

“ I worked with Marina in recent years and am so grateful to have been able to get to know her. Aside from being extremely professional, she was also a very funny and interesting person. I enjoyed the time I was able to spend with her. Although a very private person, she showed great strength and courage during her illness. I will always remember her as a remarkable example of grace. I wish her family everything they will need to get through this very difficult time.

“ Last August my son and I drove with Marina to Toronto as she was attending a wedding. She came prepared with books on tape for such a long journey BUT we spent all the hours talking on a variety of subjects. That is merely one example of Marina's intelligence, wit, insight and thoughtfulness. Marina is the epitome of grace and chic and I see her as a role model and mentor. I will miss her but am so thankful that I got to share a few years of her life as it is an enriching experience. MarieTherese Vaz

“ Marina was a beautiful, caring, sweet, thoughtful and generous friend. We worked together for many years and were close friends as well. She was the best at the type of work she did; so smart, well spoken and sensitive to everyone's needs. We had many fun times together; especially our trips from home base in Zurich Switzerland in 2012. She was a wonderful traveling companion and friend. I will miss her so much. Sending love and prayers to Marina's family who cared for her so well and lovingly. Love, Maureen Sullivan-Lombardi
