“ Dear Mike, Farah and Michael. I have so much to share, I do not know where to start, maybe I would highlight Marisol holding in her arms my daughter Marta at the beach from in Barcelona more than 20 years ago, or eating a deer burger in New Hampshire, visiting Florida, great place great food, it comes to my mind a dinner in home in Cervelló in a hot summer night, we had Dover sole, Mike's favourite fish. I cherish more than ever our last experience together, a wine tasting in Priorat area in Spain. Great times that me and my family have been fortunate to share with Marisol and Rodino family. Will never forget dinners at Tapas in North Bergen. In behalf of Casanova's family our deepest condolences to all of you. We will always remember Marisol and forever be part of us. Big hug from your friends in Barcelona
