“ I talked to Mark a few times on the phone but I only met him one time. And that's all it took he was amazing kind sweet and generous man who Loved his family more than life he liked to make everyone laugh and smile. I am honored that I got to meet him and his family and now I know why Lexie was the person she was she's just like her dad kind loving and caring. May God bless this family and keep them safe. And no that Mark will always be missed and he touched so many people's hearts.

“ My condolences to Marks family.  
I hadn't seen Mark in over 40 years. We caught up on fb. He was a bright and shining light posting pics and blessings of gratitude. I will miss the comradarie between him and his brother on the postings. God he left too soon. Rest in Peace Mark.  
It was nice to see Robert and Adriana after all these years. I hope your heart heals itself with beautiful memories of the love you all shared.
