“ Kathy,
Our prayers are with you. Mark was a great guy. Always extremely helpful and he would always go the extra mile to get the job done right. We will miss him greatly. He was always so kind. I will miss seeing his face every day at work and I will miss his kind and gentle soul. I'm sure he is up in Heaven with his wings helping up there like he always did down here.

I'm sooo sorry that I was away and not able to attend the funeral. I was there in spirit and my prayers are with you.

“ My deepest condolences to the family. I had the privilege of working with Mark and Kathy during the great years of Duquesne Light and Beaver Valley Power Station before First Energy took over. Mark was a excellent asset for the organization and I was sorry to see him leave. Kathy was also very helpful and friendly to work with.

“ Kathy,

Tessie and I send to you and your family our deepest condolences. We are at a loss for words on how to comfort you. Please know that we are here for you.

Mark became one of my true best friends. We started as co-workers and ended up being spiritual brothers. He always had a ready smile for me that instantly cheered me up. We both looked forward to our regular breakfast get together at Matthew's Diner in Waldwick. I was fortunate to have enjoyed his company in January 2015 about a month before his operation. I will miss him tremendously.

Take care. May God bring you comfort, peace, and joy.

*Regards,

Earth has no sorrow that heaven cannot heal...Mark was true man of God. Being a servant of God in ministry is where he exuded his passion. After a group of UPS folks relocated to Wayne, NJ, he was instrumental in getting the fellowship restarted. We found a local church at Mark's urging; he so grateful and would often say "it is refreshing to take break from work, pray and study the bible". We prayed for our loved ones and co-workers at UPS. The fellowship members will miss him dearly and will keep Brother Mark's family in prayer. If there is anything we can do for the family, please don't hesitate to let us know. He has fought a good fight, he kept the faith and therefore laid up for him is a crown of righteousness...With Sincere Condolences the UPS fellowship group.
