“ *To my old friend Bob, and his lovely sisters Ellen and Arlene and your families, may I offer my sincere condolences. It's been over 25 years since I last saw you all and your dear mother. I was saddened to know of her passing, but I was pleased to see she had lived such a long life. I see as well that you've all been quite busy making sure Mom was not short on grandchildren and great-grandchildren! I appologize that I could not attend the visitations. My thoughts and prayers are with you all. My heartfelt sympathy, Mark*###imported-begin###*Mark Bischof*###imported-end##

“ I have so many wonderful memories of Aunt Martha they can't even be counted. There were so many times she was there for me when I needed her. I keep thinking of my cousins, Arlene, Ellen, and Robert and how hard these days will be for them--the first look and the last look. I am so sorry for all you have gone through, but remember that you showed your love to your mom over and over again. She knew it and felt it even when she couldn't respond. I truly believe we will all be together again one day. For now she is with your dad--just imagine her joy! I know they will both be praying for all of you and loving you forever. Sending you love and prayers,
