“ *Happy 96th Birthday Mom!🎂. My family and I think of you everyday and of all the wonderful times we had together which have become our memories of you. We miss you, your beautiful smile, your words of wisdom, your thoughts, your guidance, your stories, your hugs and kisses, our conversations, your love you gave to my family and me, and all the great times we had together. Mom you were one of a kind and I was the luckiest daughter to have you as my mom and proudly call you mom, ma and mommy. My family and I wish you were still here physically with us but we know you are always with us and watching over us. We love you Mom and our thoughts and prayers are with you always.*

I know daddy wished you, his sweetheart, as he called you, a Happy 96th Birthday! 🎂 You both were the best in every way and the best parents a daughter could ever have.

With all my love always, your daughter Annette and my family. ❤️ 10/3/2023
