“ We have such fond memories of Mary Lou from the days I spent with her in Haworth Grammar School. She was admired by all who knew her throughout her life for she was always concerned about the happiness of others and concern for them. She was extremely athletic as a young girl and I remember her playing baseball with the boys as she was so talented and the how impressed the rest of the girls were with her. In her adult life she was my husband Richard's secretary at the Haworth Congregational United Church of Christ for many years and was invaluable to him. Recently she referred me to a friend of hers who had also grown up in Haworth and who became my fifth grade teacher in 1945 at the Haworth Grammar School and who was 100 years old when Dick and I went to visit her. That is the kind of thoughtfulness for which Mary Lou was well known. We remember when she became a penpal of a young man in Oklahoma when her teacher handed out names of students in that state. Mary Lou and Aubrey corresponded for many years and he proposed to her, never having met her in person and she accepted his proposal! They had a wonderful marriage for a lifetime and they both were an inspiration to all who knew them. They had two lovely daughters, Catherine and Ruth. Mary Lou had also written two editions of the history of Haworth, NJ and these books are things we will value for the rest of our lives. Mary Lou will be missed by all who had the privilege of knowing her. Eleanor Bahler Perry and Rev. Richard B. Perry
