“ *Ty, So sorry to hear of your mothers passing. My mother is 91 and living in Santa Fe, NM .She speaks fondly of Mary Connor from when we were all young and they were neighbors. The stories of those times are priceless and bring her joy to recall them. Best wishes, Rosie Cole###imported-begin###Rosie cole###imported-end###*

“ *To Mary's family: What a rich trove of memories she left in the hearts of Leonians! She will always be a part of my personal history, having played my mother in Our Town in, I think, 1968. I also remember fondly her helpful presence in the LHS library. Also, her friendship meant so much to my mom, who so enjoyed her company at the theatre and the trip to Vermont some years ago. Our family's prayers are with you all. Laurel###imported-begin###Laurel Delmar Murray###imported-end###*

“ When I was a kid I had my Mom during the year and for eight weeks of camp in the summer Mary was my Mom. As an adult fortunate enough to still be on Lake Dunmore in the summer time, a visit with Mary was always a destination of my kayaking at least once a summer. I will miss our conversations and her stories and most of all her sense of humor. I will cut my nails tonight and smile thinking of my summer Mom on the shop steps inspecting me after showers. Our deepest condolences to her children and family., love always, Danny, Carina, Jessica, and Natalie Stone.##imported-begin##Daniel Stone##imported-end##

“ My thoughts and prayers are with you. I also have many fond memories of playing at your house as a child and being present when your Mom brought home her first paycheck from her job at Leonia High School. I always admired your closeness as a family and your Mom's fair and firm parenting. She was a wonderful woman and a great example to others. I was glad to see, through Facebook's Leonia page, that the town of Leonia honored her in December for her service. What a well deserved tribute to a woman who made her town a better place.##imported-begin##Kathy Etelman Cavaliere##imported-end##

“ My heart goes out to you all at this time. Mary lived a long and wonderful life with all of you by her side. I loved being at your house as a kid with your mom always around. I can still see all the rooms of the Park Ave home, and hear your Mom talking to us from the kitchen. She is in Gods hands now along with my Mom who passed on this same day back in 1991. May family be your comfort. Regards and love to you all, Lorie##imported-begin##Lorie Garand##imported-end##

“ Dear Family of Mary, I remember one of our last conversations at the Players Guild. I told her how well she looked and asked if she is going to do a reading ...she responded, No, dear, but I have had a good run dont you think?" I am so sad that I will not be able to attend but I iwll never forget her .. I am in Florida. Georgia##imported-begin##Georgia Kennedy##imported-end##
