“ Condolences to John, Sheila, and the whole Clancy family. Hearing this news got me thinking about all the good old times hanging out at the Clancy home. It was a time when us kids were running all around town on our big wheels and bikes. We were basically raised by all the Moms in the neighborhood. They loved and cared for us....and even put us in our place when we needed it. Your Mom was always so sweet and made us feel so welcome. So sorry for your loss.
