“ *I feel very fortunate to have shared a beautiful friendship with Melva that spanned more than forty years. We were both teaching in the NYC school system when we met. Over the years we became very close friends and shared many happy and memorable experiences with our spouses. It was Melva and Clarence and Muriel and “Jeep”. Our friendship was strengthened when we became neighbors in Teaneck, New Jersey. We developed mutual friends, traveled together, and enjoyed many good times.*

She will be missed.

“ *I will remember Aunt Melva was a woman who loved her family. We were blessed with her gentle spirit and her light. Rest well my dear aunt 😊. May her memory be a blessing.*

“ *Melva and I entered CCNY together as freshmen at CCNY in 1955. We became close friends because our parents were "overly" protective of us and all we could do was go to school and then return home. . I watched her pledging Delta and decided to pledge after I saw how happy she was after her initiation. Over these years we remained friends first and then sorors. Her family has my heart-felt sympathy. We are encouraged to love each other as God has loved us. Mary E Moragne, A New Yorker in Raleigh, NC*
