“ Dear Moya and Michelle, I wish I had the words that would ease your pain even by a fraction, but I know that those words simply do not exist. For all of the words of comfort I know you would trade for a few more seconds with your precious baby. My only prayer is that you find some comfort, some peace and some healing. My prayers have been with you all during this ordeal and they will continue to be with you for as long as you need them. With our heartfelt and deepest condolences, Lisa and Matt Sicilian##imported-begin##Lisa Sicilian##imported-end##
