“ I think back to the fond memories of the Butler Home, those times of gathering with my cousins during the holidays and how my Aunt Mary, such a loving matriarch to the Lyons gatherings at that time. Those gatherings which included my cousins Mark, Sharon, & Michael playing and romping about which included getting yelled at for jumping on the beds in the attic at our grandparents house. I could still hear grandpa telling us to stop over the intercom. The smell of our grandfather's cigars, and grandma always wanting to feed us. We cousins could be found in the back yard at grandma and grandpa's picking berries on the back tree and running in the yard and even catching lightning bugs. There could always be found a gathering round the TV of those watching the Yankee's play which was and is a Lyons/Butler thing for sure. It saddens me to have yet another valued cousin leave our family at such a young age. Through the years my physical distance has kept me from many of the Lyons gatherings, but the sense of family that was established in those early years of my life are such apart of who I am and who we are as family. It saddens me that Michael has left us, for he will be greatly missed. It is however with great joy that I think of Michael, whole and strong with his brother Mark. What a reunion they must be having. I am thankful to God that He allowed me to know that Micheal had received Jesus as his Lord and it provides me a peace in knowing that our gatherings will continue when we meet again.

“ Dear Mary,

Just want you to know what an amazing mother you have been. Yes you did what you had to do but you did it bravely. Michael's life was so enhanced by all that you did for him. He managed to have a very funny side because you never gave up hope for his future. His hope was greater because of yours. I look up to you because you have given me strength Mary. I will now hope that we can continue to give each other the strength we need to carry on every day. I love you very much, your loving sister, Kathy.
