“ *I worked with Mirta for 15 years at The Metropolitan Museum of Art. She was a great person. We worked and had lunch together every day. Even when she retired from the Met she came back to visit once a year. It's sad to hear this news. I miss her she was a true friend. Like Mirta would say "We were two peas in a pod. May she rest in peace.*

Mirta was my high school buddy. Have been friends for ever and shared so many wonderful events, travel, marriage, birth of our children, holiday get together, visits to our Gold Key home. I could go on and share so many other memories. Sasha, our family had close ties since you were born. I will miss Mirta very much. She leaves behind a great legacy in you and her grandkids. We will remember her always.

Love, Zaida & James.
