“ This afternoon, I learned of Nancy’s passing while working at a Paramus school. Nancy and I worked in the Paramus Public Schools as a Substitute Teacher/Aide. I always looked forward to working with her in class or talking with her if we were at the same school. Nancy was very dedicated, along with being a charming and gracious lady. She spoke often of her family and of the dog she went home to care for at lunchtime. I know the passing of her husband affected her greatly and I am certain they are reunited. May they both Rest In Peace.

My condolences to her family and friends. Nancy will be missed by myself, the others she worked with and the students she enjoyed so much. Nancy, it was a great privilege to have known you.
