“ *I remember Nancy and her brother Frank from high school in Palisades Park, NJ. I am sad to learn they have both passed away. Frank was in my grade and he was a nice guy. May they Rest In Peace together.*

“ *Nancy had the most beautiful eyes! She also had the best laugh. I enjoyed working with her at Dillards and am so sorry to read of her death.*

“ I knew Nancy for the 30 years while working at Dillard’s but, for about 12 years we worked side by side while I was the Home area manager and she was the Bridal consultant. Our friendship continued after I left Dillard’s. Very often we would collaborate on ideas or tasks at work and during that time we would break out into songs together while working. Our favorite was to sing theme songs to old TV shows, a few times we entertained customers and didn’t know it until they asked for an encore.
Lots of good memories that I will hold near and dear.

“ Nancy was the best bridal person Dillard ever had we all loved her. I myself knew her for many years , and I can tell you she lit up the room with those big green eyes , and beautiful smile. We will all miss her dearly .
