“ *I have not seen Nathan for at least 30 years. Nathan always had a very light attitude and great humor.*

I was just thinking of the old days and Nathan came to mind.

“ I first met Nat when I worked for LOMTO back in 1988. I was 20 years old. Nat ran Brokers III which was on the 2nd floor. He treated me like a son. He is a very pleasant man to be around and always very generous. I played softball for Nat and Brokers III and what a pitcher he was,,,,,We won the Championship in 1991 and I still have the game ball signed by a few players including Nat's to prove it.. After a few more years at LOMTO, I moved on and moved out of state to Wellington Florida, but I always kept in contact with my pal. 20 something years later, we finally connected in Wellington when he came to visit his step mother, who actually lived 5 minutes away.... Nat and Carol came by my house and shared many stories. Nat and I had plans to go to Gulfstream Park that weekend but he wasn't feeling very well and had to cancel. 2 weeks later, It was very emotional for me when I heard he passed away. As I write this the with a huge in my throat, I loves Nat and will miss him dearly. Charlie DiMario (your 3rd baseman)...
