“ Dear Nick, I am so sorry to hear about your Dad. I know you loved him very much. I remember casting gold inlays with Tony Randi during practice boards and he was always kind to us. I also remember Tony Arcomano buying your Dad's car (Buick?) right after DDS graduation. I will never forget your Dad. Jeff Cloidt##imported-begin##Jeffrey Cloidt,DDS##imported-end##

“ My father and my entire family would like to pass along our condolences. My father would really like to be there, but it is extremely difficult for him to get around anymore. When I told him recalled a few stories and said, "He worked with me for fifty years." Once again, our family and most especially my father wish you our deepest sympathies.
