“ for the Family of Ollie Mysak,  
 Since I am having health problems of my own, I am so sorry that I will not be able to come to New Jersey to celebrate Ollie's life; and would have liked to meet all those in her family that she spoke to me about.

My aunt, Mildred Blasko was Ollie's neighbor and I have known her for many years.

Always admired her tenacity and her intelligence and all the ways that she helped so many of her family. We had many long talks and sometimes she listened to my advice, but she could really be stubborn.

I shall miss her so much and our little group who would meet at her home to go visit my aunt Mil at the cemetery and have lunch together at Nanni's (she must have been part "owner", and how we always had a few words of discussion re the check.

With lots of love, for a treasured friend and am glad for you Ollie that you have been granted peace.
