“ Happy New Year and Happy Belated Birthday-Your Death has made me strong and closer to God and also open my eyes to see people for who they really are; now I have people that are good peaceful and my friends-Peace is with me and Peace is with you and we will be together again without the evil that exists here.I know that.I will always love my Daddy but I miss you and I feel your presence with me each day and I thank God for that.Everthing you said was true and you always said I will be dead and gone and I would say Daddy told me so and you were and are so right.We are happy and at peace until we see each other again.

Shenella Meyer - September 05, 2014 at 08:50 PM

“ *I am very proud that I held onto my name and I am proud to be Shenella Ramnarain-Meyer and the way I live every day I want God to be pleased and live up to the standards of the Ramnarain way of life,I am glad God brought me into this world as a Ramanarain.Again Daddy i am very proud of you,there is nothing that you did that made me ever feel ashamed and you made sure i know how much you love Ted and I everytime we spoke*

Shenella Meyer - September 04, 2014 at 02:25 PM

“ *Daddy my heart feels like it is falling out of me everytime i rememeber you i am so angry with God for taking you from me-the hurt is alot,it hurts-I love you*

Shenella Meyer - September 01, 2014 at 09:14 PM

“ *Daddy I love you and I do realize why i always felt odd all these years and why you were the only person who understood and supported me cause you knew why and I was reading the print out you brought for me on one of your trips and it also help me to understand what you were also going through but i am holding onto faith as that gives me hope that evil will no longer be able to do things it was able to do.Thank you so much for allowing me to get to know and understand you but i have to tell you-you did your best and you showed love to people who were complete strangers and still your wishes are not respected but I feel your reward is my hope for us to be together again where evil does not exist.I pray everyday that God grant me that please.I am still upset with you for leaving and i still feel like Brianna was cheated and just sometimes i wish you did not allow me to be so close to you so i did not have to feel the pain i feel I love you so much*

“ *Daddy I really miss you,you were my mother and my father you protected me for so long thank you*

Shenella Meyer - August 05, 2014 at 06:47 PM

“ *Daddy it is late and i am up and i remember how you wait for the phone to ring and you would say ginxie and i would say how do you know it is me and you would say oh i smell.D I love you so much and i guess even though i am sad i am glad to have experinced your love for me and me for you.Please D tell me there will be a time where you will be in my life and Matt and Dean and Brianna and Ted forever.Since March 17TH there is not a day that I did not cry.If I only had realized that you would have been gone so soon gosh I think of you every day why did you have to leave so soon.I am in conflict with God I say why God why cause he knew how i felt and still feel and still hr took you away.I can truly say this is the most painful thing i have ever experinced.Oh Daddy-Honor thy father and thy mother so that your days will be long.....why*

Shenella Meyer - July 29, 2014 at 11:44 PM

“ *Daddy every day i wake up i think of you and i dont know if it will ever stop i feel my heart like it is falling out from its place;I saw Canal Ma and Daddy and all your sisters and i know they love you and you always loved them.I did not see them for years but it help me to understand that you dont have to be physically there for love to exist;if anyone could look behind Pompie they could see in your eyes certain things and truly if you don't love Pompie you cannot see just as if you don't love God how can you be close to him.Thank you D for all you did and please watch over Ted and I until we could be together again.*

Shenella Meyer - July 12, 2014 at 07:12 PM

“ *My Daddy an honest hard working man who got up every morning after the age of 65 with a goal,I would ask Daddy Why and his answer to me make me cry every day-Don't worry Daddy Shenny and Ted will be okay-God is all we need.Just knowing what you intended is enough.I love you so much.I watched you with Brianna and i never saw you fussed over anything like you did with her.She kisses you good night and I know how you like to be a part of her bathe so we have your picture there so she can see you.I love you as much as you did me.*
