“ To Alex, Faye, Dottie, and Warren: I feel like I know all of you very well, because Pari always spoke so highly of you to me. I'm sorry for your loss and I'm very sad to hear that Pari has passed. She held such a dear place in my heart. I have so many fond memories of her. My favorite is of her hearty laugh. boy did she love to laugh! She and Mr. Thurston took me hiking one weekend to Minnie and Lous and it was a wonderful experience for me, that I'll never forget. Whenever I hike, I think of Pari and Mr. Thurston and being on Bear Mountain. I currently live in Colorado and whenever I come to NJ, I would visit with Pari. My husband Paul and my children Peter and Sophie have been to visit with Pari a few times as well. When I come to NJ the next time, I will visit with her at the cemetery. Please let me know how I can find her in the cemetery? Sometimes it takes a while for a headstone to be placed. (Is Andrew buried in that cemetery?) Also, I would love it if you could send me a photo of Pari. I too am Greek Orthodox and would like to put her photo on my prayer table with my other family members that I pray for. If you are cleaning out Pari's home and you find a maple syrup can in her kitchen, up on a shelf, shaped like a log cabin, could I please have that as well? That was my grandmothers, Mary Marose. If it's already been discarded, that's okay too but I thought I would ask. I have very few items form my Grandmother and I remember being a kid and playing with that can all the time. My Grandmother used to keep her spare change in it. All my best wishes to all of you, Jan Marose- Swiszc 7542 Estate Circle Longmont, CO 80503 303-817-9675 cell JMarose@comcast.net###imported-begin##Jan Marose-Swiszc##imported-end##
