

## Patricia W. Cutler

November 30, 2021

Patricia W. Cutler, longtime resident of Oradell, NJ, passed away quietly on November 30th, 2021.

Born in Morristown, NJ to Ethel Richter and George Wrigley, she grew up in Berkeley Heights, graduating from Jonathan Dayton Regional High School in 1959. Married to Herbert Whitney (Pete) Cutler in 1968, they resided in Mendham and Greenwood Lake, but lived for close to forty years in Oradell.

She worked with her husband as Media Director for their business H Whitney Cutler Advertising in Fairfield, New Jersey and continued working with many of their clients for many years after Pete passed away.

Patricia loved to spend time with her family and friends and hosted many Christmas day gatherings for her loved ones. She and her husband Pete had a boat called "March Forth" (affectionately named with a play on words, after the date Pete proposed to Pat, March 4th). They loved to go on nautical adventures on their own, and with friends and family, traveling up and down the east coast and spending most summers in Menemsha on Martha's Vineyard.

Patricia was predeceased by her husband Herbert Whitney (Pete) Cutler and survived by her loving son David Cutler, his wife Emily (Riverside CT), her

granddaughters Megan & Kathryn Cutler (Darien, CT), her brother Ted Wrigley, and her cousins Jon Burnett, Edith Strelec, George Mysel, as well as many good friends and neighbors.

A private service will be held in January.
