“*Daye, I am so sad that I will not be able to hear your voice, see your face or read another lovely card from you. Ryan is out to sea for the next few weeks and will be so sad to hear that your gone. He loved you and so did I. You were always able to put a smile on my face. “*Cheri Conklin*
There will always be a special place in my heart for all the wonderful memories I have of Pat- her smile, her laughter, her words of encouragement, and her compassion.
It was just in her nature to be kind and caring to everyone. Pat took such joy in everything she did and her happiness was contagious.
I feel so very lucky to have had her as a friend.
The world has truly lost a treasure.
Pat- Loved you and will miss you always.

“ Pat was a wonderful, spontaneous, and energetic woman. To know her was to love her. She delighted in having her friends and family around her and made everyone feel special.
The world has lost a beautiful soul. May we all try to be as loving and caring as Pat.

“ I first met Pat years ago. I met her in Rochelle Park. Her house was for sale and we purchased it that same day. We have been friends ever since Pat had a radiance about her, made everyone she met feel special. Always smiling and ready to have a good time. This special angel will always have a special place in our hearts forever. Love you Pat. From Martha and Dennis.
