“ Just heard about Pat passing. We had so many fun memories growing up with Pat and Marge. Great trips to Disney, apple picking. they bought us our 1st cabbage patch kids during that CRAZY time. Getting ready for my wedding at there house. Pat was a very generous person, may she rest in peace. ❤️Kathleen

“ I knew Patricia a long time. Our parents were very good friends. My mom grew up with Patricia. My dad worked at Jackson's gas station. Loved talking to her about my mom growing up, felt like I still had a connection to her. (She died in 1993) RIP Patricia, love to Aunt Marge & Uncle Ed!

“ I grew up with Pat from 3rd grade into our senior years. She was a bridesmaid in my wedding party. We spoke frequently on the phone and discussed family and friends and any news we could share. Her parents Marge and Ed hosted many of sleep overs in their home on Main St in New Milford. We suffered through ICHS together and kept in touch through college for Pat and nursing school for me. Rest In Peace dear friend.

“ Elaine Schuber

We are heartbroken to hear of Pat's passing. We knew her from St. Joseph Church, Oradell/New Milford. She was always so kind and friendly and we enjoyed our conversations with her. Before her retirement she was a teacher. She was so intelligent and interesting. Anyone who had the privilege of being invited to her beautiful home at Christmas was in for a treat with her amazing Christmas decorations in every room of her home. She also loved Disney and had a room devoted to Disney Christmas ornaments and decorations. It was so magical and festive. Pat was a very special lady, and she will be missed. She will always be in our hearts and our prayers. With love, The Schuber Family: Elaine, Terry & William "Pat".

“ *The memories begin as a kid, running the fire escape steps in new Milford. And as Kathleen stated, as kids with the luckiest kids in the world to be treated to such a trip on the auto train and Washington and Disney and SeaWorld. We even had the sleeper cabin!! you taught us how to scrapbook our entire trip I wish I had learned how to crochet and it like you and aunt Marge, you had 1 million talents. My latest memories were down on the water in toms River. So so many memories of sitting out on the deck, feeding your ducks and going to wonderful seafood restaurants. Staying up and talking for hours. I already miss you very badly and I know you're happy back with your mom and dad. Be pain-free. Be happy and know how loved you are.*

“ *Pat was the sweetest friend and neighbor anyone could ask for. She always had a smile on her face and will be dearly missed.*

“ *Patricia took my sister Patti and I to Disney World when I was 10. We went to Washington DC before we boarded the Auto-train in Virginia. It was the best childhood memory. Trish also had us scrapbook every day of our trip. I still have mine and I treasure it. Rest in peace Trish.*

“ *Will always remember our trip to grand mom and pop pop’s for Christmas in Uncle Ed’s Plymouth. We kept our eye out for Howard Johnson’s Restaurants because we loved the Onion rings. 😂*
