“ My name is Tina Sloan and I walked into Ursuline and was put into the "smart" class. All my friends were in the other 2 classes. I was at a loss, but Pat and I became good friends. We both got gold bows every time for all 4 years, and when I was President of the Student body, I often relied on Pat. I am so glad to read about her wonderful family and her life, which was well lived and well loved, and I send condolences to all of her family.
