“ I loved her, she taught my daughter Heather in 2nd grade, and came to visit her in the hospital after a kidney transplant. She was an inspiration and great teacher! Even though my daughter passed, she always kept in touch and looked after my son Ryan at Berkeley school. I am so sorry for your loss.

“ Pat was a very dear sister in Christ. She was kind, compassionate with Godly standards. Her dinners were the best. She was always encouraging and very hospitable. She opened her home to Bible studies. Her friendship was sincere without looking for anything in return. She will be missed. Our prayers for God's comfort and peace for the family. She and Bill have left a strong legacy.

I was privileged to know and work with Pat during part of her time as a teacher in Westwood. Pat truly made a difference in hundreds of lives among her students and their families, and among her co-workers as well. She was strong in her beliefs and one of the best advocates that any student could ask for. I worked with her as a supervisor and principal and loved going into her classroom to watch her in action. I always left with a smile on my face and with ongoing admiration for her skill as a teacher and her love of her work.

Pat was a role model for many people: her friends, her co-workers, her students, and their families. She was strong in her beliefs and knew how to get the best out of each individual student. Pat truly made a difference in my life and in the lives of countless others.

Pat was a wonderful lady and a role model to me.

Pat & Bill lived life well with Jesus Christ as their Lord & Savior, and I believe they are resting peacefully in heaven now.

'Praise the Lord,' I remember she used to say, even when she went through a rough time.

Her presence will be sorely missed, but she will live on treasured in our hearts.

I will miss her beautiful Christmas letters and family photos.

Love forever,
