“ Pat was one of the most loving, caring, and most unselfish people I have ever met in my life. Her honesty and true friendship will live with me forever. She never complained about anything, no matter what the circumstances were. She would always have a smile on her face and always made me feel happy just to be in her presence. I will never forget her and am such a lucky person to have known such a wonderful, warm, loving and caring person as Pat. She will always be remembered in my heart. There is a special place for her in heaven.... That's for sure.  
I will always love her and hope to one day be half the person she was....

“ Wow! I am in such shock I can't even wrap my head around this. I worked with Patty at First National State, right next to Davey's Locker (which by the way, we went to from time to time) from 1979-1983 ish. My first full time job and boy did I luck out when it came to who I worked with. There was never such a bunch. And laugh?!! All the time!! and Patty was right in the thick of it, she had such a wonderful laugh. I'll never forget when she became pregnant and I had the honour of hosting her baby shower. She was just such an extraordinary light that I can't even imagine that the world is without it now. Luckily tho, her light has not dimmed at all in the hearts of all that knew her and all who's lives she touched either briefly or long term. I accidentally got back in touch with her a couple of years back when I had to call the company she was working for and it was soooo great to re-connect, no matter how briefly. We tried to get together but so sadly, life sometimes has a way of interfering, I wish I had been more persistent on my end and not quite so busy. But I think she knows that she always has held a very special place in my heart and always will. Love you Patty, and thanks for every single laugh!!! Lynne Berry
