“ Dear Patrick, Jimmy, and Eddy,
My deepest sympathies on the passing of your father. He truly was a great man. I can't help looking back through the years and remembering my many interactions with all the firefighters in ladder 34 and engine 84. I remember, often, entering into their quarters especially in the later 60s and early 70s....the first things that would hit you was the smell of gas/diesel from the trucks, fresh brewed coffee, and often the smell of smoke coming off their gear from the latest fire. There was plenty of laughter and jesting amongst the guys. Your father had a great laugh that would make you laugh and smile. Your father was instrumental in getting my dad to move out to Bergenfield...oh and yes, in the early days getting my father into 34 truck from out of Bronx...I can often meditate on those days past with great pride of what our fathers did for a living....they were truly my heroes. May God bless your father and his soul rest in peace. I will be eventually having a Mass said for him and keeping him in my daily Rosaries. May Our Most Holy Mother comfort you in this time of your loss and keep you under Her loving Motherly Mantle.
Sincerely,
Joseph W. Purcell
