“ *Dear Denise, My parents and Pat's parents have been part of everything together, ranging from the Korean War, Lena's and Pat's births, my parents adopting John and I, marriages, family members passing on, christenings, anniversaries, just every part of life. We are so sadden for your loss and love all of you so very much. You were always in our thoughts, especially the last eight years. Our paths didn't cross often, but we never stopped praying for you and your family. You are definitely a special woman and may God Bless You and Your Family always. “ Dear Denise, I was so sorry to read about Patrick's death. What a long road you both had. This awful disease takes our men too young! You are in my thoughts and prayers and I hope you call me when things settle down. Love, Beth Heller##imported-begin##Beth Heller##imported-end##
