“ *I was so very saddened to read of the untimely passing of your son, husband and father. Although I only knew Paul as a youngster and saw him once and a while at concerts, I knew him to be a fine, warm, sincere and caring person. “ Dear Rhea,James and family, I was very sad to hear about your terrible loss. Paul was a true example of a great loving Husband, Father and Christian. You could see that by the wonderful photos displayed through out his cube. I had the pleasure of knowing him for a short time while I was employeed at Lollytogs. When I was laidoff I never had to opportunity to say good bye to everyone and to have thanked them for all of their help while I was there. Paul was one person I wanted to thank. He always had a smile and was ready to lend a hand when needed. I pray that the lord gives you the strength during this difficult time. My best and that of my children(who met James at the Holiday Parties)to you all. Sincerely, Dale Andrulewich##imported-begin##Dale Andrulewich##imported-end##

“ Dear Rhea, James and Family, There are not enough word to exprss how shocked and sad I was to hear of Paul's untimely passing. I had the honor of dealing with Paul for a year and a half while working at Lolly Togs. Any time there was a problem with my computer or setting up my phone Paul was there with a friendly hello and helpful hand. It was so obviose to anyone that knew Paul he was a devoted husband, Father and Christian. His love of Family and the Lord was evident daily. My children and I pray that you find the strength and heal through this trying time. Sincerely, Dale Andrulewich and children###imported-begin###Dale Andrulewich###imported-end###

“ Dear Rhea and Family, Sorry for your loss. I have many fond memories of Paul, both as roommate, musician and friend. From the "questie song" he helped compose and pledging Phi Mu Alpha and many, many others from APhiO. - Greg Paul was great, we had a small J-term class together where I had the opportunity to get to know him better. In a small lab Dr. Newsome, Paul, another gal and myself; we created digital sounds and used them to create music. APO, class, the back table and everywhere; Paul was always welcome with his kind warm ways. The world was a bit brighter for him having shared his life with us. - Martha Our thoughts and prayers go out to you, especially now. “ Dear Rhea and James, My name is Leo. I am the head of IT dept. in LT Apparel Group. I knew Paul since I was hired. But I started to know more about Paul since I started to spend more working hours in Dayton office in 2003. Whenever I saw Paul in Dayton office, we used to talk about kids and family during our free time. From our conversation, I felt that he always put his family on first priority. He is a good father and good husband as well. At work, he is a very loyal employee. He is regarded as honest, hard working, polite, and respectful person. It is an honor and it is my pleasure to work with Paul. I am very sorry about your loss. I cannot use any more words to express my feeling about Paul. I am sure you two will stay strong because you know Paul will be always with you. Leo Chan###imported-begin###Leo Chan###imported-end###

“ Deard Rhea and James, We are both shocked and saddened by the sudden death of Paul. He was a wonderful husband/father and a terrific human being. As your music teacher, I looked upon your lessons more like weekly visits of friends than of clients. And thats what we are, friends. To lose a friend is a deep loss from which you are changed forever. Paul was a special guy. We realize to lose a father and husband is a devastating loss, especially so sudden and without warning. We know the pain you must feel. But , he is with you in spirit, he will watch over you both and guide you throughout your lives. Please accept our profound feelings of grief and sympathy.
