My Aunt Pauline. And Uncle Joe, Doreen and Denise. I'm sorry for your loss. Goodbye is always hard, whenever it happens. There's a lot of love in all the pictures here, and I always saw a lot of love in all of you and the rest of our families. We've all been far apart for so long but all that love is still there, and so are all the memories. I smile every single time I remember any and all of you 😊

“ Aunt Pauline was a very kind and considerate person. It was easy to talk to her and we would laugh a lot. I was really lucky to talk to her recently and I will truly miss her and our phone calls dearly.

She was blessed with two wonderful and thoughtful daughters that she loved dearly and was loved by them and her grandson.

May she Rest In Peace

Love

Her Niece Karen

“ *So sorry for your loss and our neighborhood missing a wonderful person. Many a time Pauline came over and spend time with me laughing at life. She was always there for me as an emergency baby sitter. Her mother made my children's Christmas stockings which they still use. We are all grateful that she was a part of our lives and she will be missed by many.*
