“ *Linda and family,
We are all so sad to hear about the passing of your beloved Peter. It was our pleasure to have had the opportunity to meet both of you and share a few Saturday afternoons in February playing pool, eating, drinking and laughing. Our dad Jerry, will always speak so highly of his childhood friend! He was so excited when the two of them reunited and even though it was only for a short time, it had a tremendous impact. Our thoughts and prayers are with you and your family. May the memories you shared, bring some peace and comfort to your hearts.
With love and sympathy, Todd, Michele, Ryan, Kelsey & Melissa Behnken*

“ *I will always have my childhood memories of my cousin. Especially the days when he lived around the corner from us. He would come over every day, to make fun of my Mom's bad coffee, which he'd drink gallons of. I will also remember how you'd always remind me that the day I was born was the day you entered the service. May you rest in peace.
