

Peter A. Wolfe

May 10, 1942 - January 28, 2022

Peter Allan Wolfe, 79, died on January 28, 2022. He was born in Teaneck, NJ on May 10, 1942, the son of Paul and Viola (née, Ahr) Wolfe, both of whom predeceased him. He was raised in Oradell, NJ and graduated from River Dell High School. He attended NYU and earned a BS in Business. While there he was a walk-on for the soccer team, quickly earning a starting position. Upon graduating, he had a 40-year career in advertising, working in New York City.

He loved all sports and played soccer and baseball. He was active in the Bidy Basketball and Little League for most of his adult life, ensuring that today's kids had plenty of playing opportunities. He loved going to the shore and spent much time with his family at various spots, although Sandy Hook was his favorite. He enjoyed his family, spending much of his free time visiting and vacationing with them. He had a tremendously kind and generous heart, and nothing was ever too much to ask him for, whether it was picking up someone on a late arriving flight, driving 90 minutes to deliver bagels, sending an article about a topic of interest, or loaning his car. He was incredibly well read, with an in-depth knowledge of a vast array of subjects. If he didn't know something he would invest the time needed to research the topic and understand it. He was also a dedicated, loyal, and hard worker, forming strong friendships with his co-workers and his clients, and still working until just days before his death.

He is survived by his daughter Susan Wolfe (Kevin Sarsany) of River Forest, IL, his son Michael Wolfe (Sharon) of Hackensack, NJ, his sisters Karen Hines (Charles) of East Granby Connecticut and Heidi Plinio (Robert) of Dumont, his brother, Robert Wolfe (Marlene) of Oradell, his five grandchildren, Morgan, Riley, Haley, Benjamin and Jessica, as well as his nephews and nieces, David, Kristin, Cheryl, Kaitlyn, Melissa, Jesse, and Carolyn. He is predeceased by his ex-wife Barbara Joan (née Eggleston) Boudette.

Services will be held on Friday, February 11, 2022 with visitation from 9am-noon, followed by a service, at Volk Leber Funeral Home, 268 Kinderkamack Rd., Oradell, NJ 07649. In lieu of flowers, please consider donating to the St. Jude's Children's Research Hospital.

“ I have had the distinct pleasure of working with Pete for 7 yrs at MetLife Stadium.
He and I would meet at 3:30am and walk the empty halls to punch in. We would spend the next 2 hrs setting up foxtrot plaza and screening employees. I always loved to watch Pete jump in his car and chase down an employee who jumped the curb to try and sneak into E lot.
We also spent the time talking about our families. I will miss those early morning talks with him. And I know every man at foxtrot will miss him. We also are grateful to know that he will be with us watching our back because at foxtrot we all need an angel. Thanks Pete, gonna miss ya.

“ *Cousin Peter and I were best friends when we moved into Oradell in 1953; I was in sixth grade and he was in seventh. We were almost inseparable until we started college. I have fond memories of riding bikes around town (when one could ride down the middle of Kinderkamack Rd. no hands but don't try that today), fishing at McGee's Pond, playing hockey in the flooded fields behind the ball parks (all grown over now) playing baseball and just hanging out looking for things to do. Some of our "activities" were on the "edge" but we only got caught once, sneaking on to White Beeches Golf course; that did not go well but I think Peter's father got us out of that one .Peter had a little bit more mischievous mind than I; one year he accumulated twelve dozen eggs for us to use on Cabbage Night but for some reason we never made it out that night so we wound up smashing them on a rock behind my house. Peter, you should have taken the shots!*
