“ To the Apreda family, my heart weeps with you. I played ball with Phil-I knew him as the flapy gloved 1st baseman! Great sense of humor, always stood up for himself. His memory will live on!##imported-begin##Ken Glanville##imported-end##

“ I emailed several people around the country to let them know about Phil's passing -- and the responses I got were all very similar: "We will continue to remember Phil for being the warm, sweet, and kind person that he was. Please send our deepest sympathy to his family and friends." I will remember him for his smile, hearty laugh, and for being a fun part of the Teaneck High School Class of '80. Thanks, Phil, for all you did to make people's lives better. We're proud to have known you and we promise to keep your memory alive.##imported-begin##Linda Gutin##imported-end##

“ Dear Apreda Family, The sorrow that I feel for your whole family is indescribable. I can not say that I understand how it feels to lose someone that important in your life, because I never have, and I'm sorry for that. However, I can say that Coach Phil Apreda was a man that always made me smile when I shook his firm hand. Unfortunately, I did not have the pleasure for him to be my coach, but I knew all of his players and they all love to play for him, and I would've loved to as well. Although I am in college right now and can not attend any of the ceremonies, I want you to know that I will pray for your family every night, as I did when I discovered he had the sickness. Although he has left you behind, he has gone to a much better place and no longer has to suffer, because a great man like Coach Apreda should not have to go through that. My strongest prayers go out to all of you. Sincerely, Miguel Perdomo Jr. and the Perdomo Family##imported-begin##Miguel Perdomo##imported-end##
