“ I’ve known Ralph since I was 12, I grew up in Maywood and was one of the first regulars at Hair Construction, just thought it was the coolest place in town. My cousin and I tortured him because we each had enough hair for 10 people and would go every 4 weeks in tandem and wait for him. My family had a large presence in town during the 60’s and 70’s so many members were regulars . Even at my young age I understood what a kind and gentle soul Ralph was I saw him on and off thru the years and even worked for him briefly in Clifton. I too became a hairdresser eventually opening my own salon/spa in northern Bergen county. Just this past week my cousin mentioned he had passed several years ago. It bought me great sadness to hear this as he was much too young. RIP Ralph you were truly one of the good ones. I send your wife and son my condolences.

“ I was shocked and saddened to hear of Ralph’s passing. My sympathies go out to Jean, Chris and the rest of his family. Ralph has been cutting my hair for over 35 years and like so many others have said we developed a friendship over the years. During our half hour visits we would discuss everything from family, work, vacations and current events. Since I grew up in New Milford down the street from where Ralph lived we often spoke about local news and the changes going on in town. I will miss our monthly visits and the chance to swap stories with my friend. Rest In Peace Ralph.

“ I am so heartbroken to hear of Ralph’s passing. My heartfelt sympathies go out to Jean, Chris and his family. I have known Ralph since he worked at Hair Construction and he has been cutting my hair ever since (44 years). He was the best at his craft. Over the years we developed a wonderful friendship and discussed our families, work, the Jersey shore and life in general. We shared many funny stories and he always made me laugh. Ralph had a big heart, gave great advice and always had the name of a guy who could help you with plumbing, heating, you name it and he knew someone. I will miss him dearly and he leaves a big void in the many lives that he touched. Rest in Peace my friend...

“ I’m stunned and saddened to learn of Ralph’s passing. I’ve known him for 31 years and, like most of his customers, feel that a genuine friendship developed. One of the things that impressed me most about Ralph is the way that he continually reached out to help others. He was a genuine and funny man with a warm heart. This is truly a loss to many. My heart and condolences go out to Jeannie, Chris, and family.

“ I was so saddened to hear about Ralph's passing. My deepest condolences to Jeannie, Chris and their families. I met Ralph at Hair Construction 40 years ago and followed him to Clifton. Ralph watched my children grow up and cut all 5 of my children's hair for quite some time. He always made us feel like family. He will be missed very much.

“ I'm terribly saddened to hear of Ralph's passing. I first met him at Hair Construction when I was around 17, followed him when he opened Ralph's Place and except for my years away at college saw him pretty much every four weeks for the last 44 years. He was a constant in my life and I looked forward to the thirty or forty minutes we spent together each month. We spoke of family, work and the world in general. His honest caring about what was going on with my life and the interactions i saw with others made me think he didn't have customers, just a lot of friends. My condolences to Jeannie and Chris, he spoke about you often and i could see how much you meant to him.

“ Ralph loved his job which was evidenced by the way he easily talked to people. His customers were more than customers and he made everyone feel so at ease. We have known Ralph for over 40 years and we will miss his stories and his friendship. Our hearts go out to Jeannie, Chris and the Cutillo family. Mike and Donna Pennabere

*Every post has been perfect! That was Ralph!  
When I was the sole caretaker for both my parents, Ralph was the ONLY one to volunteer to take them to the VA in Hackensack. He used to say, " Make sure the appt., is on a Monday, Kathy." He was so sweet he didn't want me to lose a day of work.  
We will all miss this very compassionate person!  
Love you Ralph RIP,

*Ralph was perhaps the the most 'people oriented' person I've ever met, a warm, genuine and honest soul.  
I had been a customer of Ralph for 23 years, a lot of 'chair' time, a lot of water under the bridge.  
I am so heartbroken by this news.  
My deepest sympathies to Jean, Christopher and all of his family, friends and the 'extended family' that was Ralph's Place.  
Ralph, I'll miss You and remember You always my friend.*

*I was heartbroken the other day when on a trip to north jersey to see my in-laws, I decided to stop and visit a dear friend. A man I called my Cousin for 46 years. We met at Hair Construction in Maywood when I wrote my first and last name in the book. A bond for years. We never followed up to see if we were related, except for the same last name Cutillo.*

*You will always be remembered in my heart Cuz.*
