“ February 14, 2017... I only learned today of Rays passing. It's with surprise and a heavy heart to learn of this. Ray shared some of his heartbreak. Ray always had inspirational thoughts to share with a soft spoken word. He was a big man with gentle insight. I will miss seeing him. God bless you and keep you Ray. Warmest thoughts to family and friends.

“ I was extremely saddened to hear of Ray's passing. Ray and I started at Westinghouse many years ago together. We took different paths in the industry but eventually wound working together again as inspector's at the DCA. He was one of the nicest people I have ever known and I am proud to call him a friend. I am going to miss him! My sincerest condolences are extended to the whole O'Blenis Family. God Bless You my friend.

May You rest in peace!
