“ *My condolences to the family. Renita and I shared such precious moments raising Lisa and Cari. I have been in Arizona many years. We had not been in touch for a long time. Renita was a fun, sincere and just a lovely person. I happen to be looking for another one's obituary and came across this. Rest In Peace!!!*

“ *Ms. Renita was everything for me while working together at SERV. We had the pleasure of building a friendship outside of work and I am beyond BLESSED to be able to call her my friend. She provided me with not only insight, motivation and support, but also shared her love of music, distinct foods and above all else LOVE. Prayers to the family, especially her children, who had an amazing mother! Rest well Ms Renita. Love you always!*

*So sorry to have learned that Renita became ill and passed. A kind thoughtful friend, Renita and I met through her being a listener to my radio show and attending my concert productions. We enjoyed many fun times together this way, and she was a caring friend and supporter of mine for over 13 years.*

“ *Renita always smiled and laughed with me at work. She knew all kinds of songs and has loved music for years. We would discuss events our respective choirs were going to be involved in. Always able to view situations with a positive or humorous spin. You will be missed, my Friend!*
