“ *Scutchie Not a day go by That I dont think about the Beautiful Memories. . You always yo get on the go- cart and do my thing. I never forget that day you said on your Motor bike I couldnt get it in gear. The beautiful part about it was never about Money. You use always say you good. And I would say yes. And you would always say you sure. I would respond you know what is it. I paid my respect to you I was outside the Church holding it down. I couldnt go in I would have passed out. @ Salute and Respect.*

“ With sincere condolences, May the love he had for his family speak for him in his eternal rest. May the family find peace in knowing that he doesn't have to suffer any longer on this here earth. Mommy, Daddy and all of those that have gone home have already greeted Scutchie at the pearly gates. His work here on earth is done but his legacy must live on through his children and the rest of the family.

Rondo has always been a very sweet boy whom grew up to be a wonderful man! May God comfort this family and allow them to grieve but know that he is not suffering any more! Love you Rondo, and to Leland my long time friend, my heart and prayers are with you! Til we meet again my dear friend, love and respect, Toya L. Green*
