“ *Richard was a wonderful and fine friend, engaging and caring. His laugh was wonderful to hear and he was always willing to share his ideas and knowledge. We regret not spending more time with him (and you) over these past ten years but will look forward to meeting him again when our spirits are released from these Earthly human confines.*

*Rose Mary, we send you and your children and grandchildren our condolences. May the peace of Jesus Christ give you comfort as you cherish the memories of your lives with Richard. He was a great guy.*

*Warm hugs and loving prayers,  
Sarah and Mark*

“ Dear Rosemary and Family, The Dear Lord called for another angel. He called your husband/ dad. Don't question why, it's temporary, till we meet again. He will be by your side every step that each of you take. His memory will continue. You will laugh, you will cry, and the # 1 is the hardest for the 1 St year. Each day look and listen for his signs, he will never leave his family however will be by each of your sides always watching and guiding. My thoughts and prayers are with you friend Rosemary and your family. His new journey has begun and realize that he is at rest. Deepest Sympathy on the loss of Rich. Cookie Parzych ( nuclear Cookie)
