“ So many childhood memories include Richy - the only male cousin in my family and a funny, mischievous handful! I loved spending time with him whenever our families got together. Amazing that he had such a great sense of humor at such a young age and that he had so much to deal with so young. Kind, funny, genuine, always interested in what my life was about. A life lived way too short. I wish there would have been more time to know him — cousin Kathy

“ Richy was my brother. We had a crazy ass childhood. I tried to love him as much as I could. Richy, I think, needed more than we could give, He was, and will always, be magnificent. Like the super hero he wanted to be. I loved and was proud to be his sister. Good night, my bear skin rug.

“Richie was a great friend and a terrific football player. Played center for the Richmond Hill Eagles from 1969-1973. Was sophomore class president at the prestigious Bishop Loughlin Memorial High School in Brooklyn, NY. Class of 1972. Went on to complete an honorable career with the Port Authority Police Department. He will be missed by his friends.

Just learned of the passing of Richie. I knew him since our early teens in Richmond Hill, played football with him and sadly lost contact a few years ago. I will always remember his great laugh and the fun times all of his friends had together. He will be missed but he will never be forgotten when his friends get together and share the good times we had, Goodbye Richie.
