“ Rich was a kind special soul. His mission was to help others. I'll never forget all the special work he dedicated to the Kips Bay Boys and Girls club in the Bronx. Rich gave of himself. He endured his illness with grace always. He was an example of greatness to everyone in the comedy world. May he be an angel looking over all of us now. Peace and blessing to his family. “ Rich was a kind, warm, wonderful person. I'm so glad I was fortunate to have hired and met him to perform at my venue. Rich was a natural comedian. He was always so comfortable when he performed, he made it look so easy. I am always sad to hear of someone special passing away. But, it is devastatingly sad to hear of those who least deserve to suffer and have their lives cut short like this. My condolences to his family and closest friends. I will surely miss Rich like so many of you will. R.I.P. my friend. Thank you for sharing your gift of laughter with us. Life is made of memories, and I will never forget you. “ We thank God for the gift of Richie in our lives. The true measure of a man is not only in his ability to overcome adversity but in his ability to maintain a steadfast spirit in the midst of the storm. Despite the suffering Richie endured, he was able to bring humor and joy to the lives of people of all ages. Although he may no longer be physically with us, the seeds of inspiration he has sown in the hearts of others will bloom and live on. We pray for Kathy and Richie's family and we thank them for sharing this blessing.##imported-begin##Peter & Vilma Deliz##imported-end##

“ To Kathy, My deepest sympathy goes out to you. You were married to a wonderful man, a kind man and a very funny man. It is wonderful that you both found each other again and got to spend these past years as man and wife. It was like a story book. He was taken much too soon from all of us as his life affected so many. He is out of pain now, in peace and will always be by your side. I hope you can find your inner strength to get through this difficult time and know as time goes on it will get easier to bear. I am here as a friend if you ever need me to just listen and talk. My thoughts and prayers are with you now, peace always, Irene Burgos##imported-begin##Irene Burgos##imported-end##

“ Rich and Family, Brother Rich: we all knew you had been struggling with your health for quite a while, but regardless, your passing is like a serious shot to the gut for all the Fellas. Truly a sad few days for all of us. Just speaking briefly to Kathy last night, the flood of memories just washes over all of us, and i am sure that will continue for quite a while. Just comes to show you the positive impression you left on us and all of the Fellas have on one another. The only consolation is that we know you are truly in a better place, pain free and feeling good about how blessed we were to be part of your life. Rest in peace Brother. To Kathy and the Ramirez family: Liz, Armando, Veronica and I are deeply sorry for your loss. I know there were a lot of people at mass yesterday with tears flowing just thinking of Brother Rich. It is always very tough to first believe what just happened, and then get past the pain and sorrow. It will take time and know we are here to help however we can. In time, I know it will change such that the thoughts that come to mind will be thoughts of all the good things you experienced with Rich, which no doubt will bring a smile across your face. With all our Love, Mel, Liz, Armando and Veronica##imported-begin##Mel Velez##imported-end##

“ *Rich, You were always dependable to lift up my spirits whenever I was down. You were a truly talented man, but more than that, you are a great friend. In this business which is filled with disappointments, you always made it better. Thank you and I will always have a special place in my heart for you.
