“ On behalf of the Board and staff of Heightened Independence and Progress Center for Independent Living I would like to extend our sincere condolences on the passing of Mr. Touma. He was an active member of our Book Club and was a strong advocate for people with disabilities especially those with vision loss.

He never missed an opportunity to share information that could help another individual. He spontaneously offered information on the services of hipcil to those gathered at a meeting at St. Anastasia's Church as a favor to me when he learned that I was in attendance.
