“ *One who makes life beautiful is truly a blessing from God. We all were graced with a true Angel on Earth. My Beautiful Great Aunt will always be remembered for her soft, kind and loving ways and the joy she shared with all she met. Blessed with many years with a loving dedicated and caring family, Rita is now reunited with her parents, six brothers & sisters in Heaven to enjoy their love in eternity. We will miss Aunt Rita but will never forget her. Our Love to our family and may God continue to bless us now that she has been reunited with him(or her) in Heaven. With Love Sincerely,
