“ In 1972 as a young patrolman, I was sitting in my patrol car writing out an accident report when I was approached by an individual who I later came to know as Bobby Adomilli. I rolled down my window and he told me that he was interested in getting on TPD and asked my opinion. I told him I loved the job, but it did have lousy hours. We spoke for a while and several months later he came on the job. We rode the North end of Teaneck together and he was always there when I needed him, I never had a doubt in my mind that he would back me up, and I him, from the first day I met him as a Motor Patrol Officer. I proudly served with him, not only as a Patrolman, but when he continued on in rank (Sgt. and then Lt) throughout his career on the Teaneck Police Dept. It was an honor and a privilege to know him as both a Police Officer and Supervisor but mostly as a good friend. He will be greatly missed by all who knew him. He did make a difference both off the job and on. Ed McCloud

“ I was deeply saddened to learn of Bob's passing. He was a wonderful and kind friend, father, grandfather, and husband who will be missed by many. Met Bob in 1983 when he was conducting my background investigation at the PD. He was a class act, someone who worked hard and represented the Township of Teaneck with class.

Thoughts and prayers to the Adomilli family and may Bob rest in peace.
