

Robert J. Baron

April 7, 2024

Bob passed away surrounded by family & loved ones at Englewood Hospital on April 7th, 2024. He was born in Teaneck to Mary & Robert Baron, growing up in Bogota with his loving sister Janet. He graduated from Bergen Catholic, Villanova, & went on to become a reporter for the Associated Press in San Francisco. After that time, he returned to NJ to pursue a law degree at Seton Hall University. Bob always tried to help his clients during his years working as a lawyer, like his father before him.

He enjoyed playing golf & was an exceptionally gifted cook. A passionate reader with a brilliant mind, he loved the arts & was generous with his knowledge to all who sought out his guidance. Skilled with playing the piano from an early age, Bob always loved to play both at home & with bands for the pleasure of others. Bob especially loved to travel & planned many trips, but always with the hope of bringing joy to his family.

Beloved husband to Maryann (nee; Carroll) Baron. Loving father to Bobby, Scott, Julianne, & her husband Joe. He greatly loved his children, & was especially close to nephews Jimmy & Charlie. As the years went on, his family grew to include many who knew in his kindness & charity. He loved & supported his parish as a frequent lector who cooked for the homeless & enjoyed playing piano for seniors during the time he was physically able.

He suffered from Myasthenia Graves for many years, was diagnosed with CHF, but was supported by wonderful doctors & caregivers. He joined a community of fighters, & tried his best to brave a lifetime of challenges.

He was a loyal friend to those who knew him best. He was a dedicated brother, uncle, & son to his mom who is still with us. He was a grateful husband, a supportive father, & a man who lived a rich life. He will be missed beyond words, & will be loved always.

“ Bob and I became friends on our first day of Law School in 1979 and remained so ever since. It was only due to his meticulous note taking and his enormous generosity in sharing those notes that got me through many of our courses. We remained friends long after graduation and would often talk at length. I will miss him greatly and I thank his whole family for sharing Bob with me...I will miss him every day but I am comforted that he has now found peace...God bless you my old friend!!
